QUOTE:

“The universe is done. The greater masterpiece still undone---still in the process of being created is HISTORY.”

Matthew 5:14-16 NKJV

QUOTE:

“The fact is that sin and evil constitute bad news in every area of life on this planet. The redemptive work of God through the cross of Christ is good news for every area of life on earth—that has been touched by sin—which means every area of life. Bluntly, we need a holistic gospel because the world is in a holistic mess.

By God’s incredible grace we have a Gospel big enough to redeem all that sin and evil have touched. Every dimension of that Good News is good news ultimately and only because of the Blood of Christ on the cross.

Ultimately, all that will be in the new redeemed creation will be there because of the cross. Conversely, all that will not be there (suffering, tears, sin, Satan, sickness, oppression, decay and death) will not be there because they will have been defeated and destroyed by the cross. That is the length, width, breadth and height of God’s idea of redemption. It is exceedingly Good News!

Holistic mission cannot be the responsibility of any one individual—but it is certainly the responsibility of the whole church.”

James 1:27 NIV
