

Matthew 5:13-16 NIV

Salt is **BREATHING SPIRITUALLY**

Salt losing its **SALTINESS** equals Christians losing their **CHRISTLIKENESS**.

How We Got Here

1. There has been an undue emphasis placed on **WIDTH** rather than **DEPTH**.
2. There has been an absolute disintegration of genuine, real **COMMUNITY**.

2 Things I Needed

A. Encouragement

B. Rebuking or Correction

1. There has been an undue emphasis placed on **WIDTH** rather than **DEPTH**.
2. There has been an absolute disintegration of genuine, real **COMMUNITY**.

2 Things I Needed

A. Encouragement

B. Rebuking or Correction

3. A lack of submission to **AUTHORITY**.

4. We live in a culture on **SPEED**.

“If you are not a salty and shining, visible, viable redemptive alternative to the broken way of the wider society, but are hypocritically advocating change that we ourselves don’t actually live, then we are good for nothing but to be cast aside and ignored.”

QUESTIONS

1. Where do I need to be obedient?
2. Where is the Lord leading me right now?
3. What has He been asking me to do? Where have I said no?
4. Where am I not doing things that I know I need to be doing? Do I need to begin to do that today?
5. What did you give up on too soon?
6. What did you walk away from too quickly?

3. A lack of submission to **AUTHORITY**.
