

Track 2: Every Book in the Bible

Track 2 includes 186 of the 1,189 chapters in the Bible. Many well-known parts of the Bible are not represented, and from some books (Leviticus, for example), you will read only a single chapter. These 186 chapters have been selected because they are understandable to the average reader without commentary. Taken together, they provide a good foundation of Bible understanding. If you miss a few days, don't worry. Just resume reading when you can, about a chapter a day. In 180 total days, you will get an overview that includes something from every book in the Bible. Track 2 recommends reading the introduction to each book. You may also find it helpful to read the insights that appear next to the assigned chapters.
